REMARKS

Election/Restriction

The Examiner required restriction to one of the groups of claims identified as Group I (claims 1-32) and Group II (claims 33-40).

Applicant hereby provisionally elects the claims of Group I (claims 1-32) for further prosecution in this application.

However, Applicant also traverses the restriction requirement in that the subject matter of claims 1-32 on the one hand and claims 33-40 on the other hand are believed to relate to a single inventive concept that should be allowed to be pursued in a single application.

Favourable reconsideration of this application is requested.
